

THE METAL INDUSTRY

WITH WHICH ARE INCORPORATED
THE ALUMINUM WORLD: COPPER AND BRASS: THE BRASS FOUNDER AND FINISHER
ELECTRO-PLATERS REVIEW

Volume 20

JANUARY—DECEMBER, 1922

THE METAL INDUSTRY PUBLISHING COMPANY
New York

ARTICLES MARKED (*) ARE ILLUSTRATED

ARTICLES

A

*Absorption and Oxidation of Non-Ferrous Metals, Gas	267, 307
Abuse of Plumbing Brass, Use and	419
Air, Constituents of Compressed	341
Alamagoozalum Alloy	62
Alloy, Alamagoozalum	62
Alloys, Flatware	432
*Alloy, Genelite: An Improved Bearing.....	98
*Alloys, Iron-Pot Melting Practice for Alum- inum	60, 309, 342
*Alloys, New Aluminum-Silicon	183
*"Alloys," Some Cases of Failure in "Alum- inum"	140
*Alloys, The Influence of Cerium on Alum- inum and Other Light Metals.....	142
Alloys, Casting Aluminum.....	464
*Alloys, Cobalt Tungsten.....	463
*Aluminum Alloys, Iron-Pot Melting Prac- tice for	60, 309, 342
*"Aluminum Alloys," Some Cases of Failure in	140
Aluminum Analysis	150
*Aluminum and Other Light Metal Alloys, The Influence of Cerium on.....	142
Aluminum Alloys, Casting.....	464
Aluminum Bronze for French Coinage, Cast- ing	381
Aluminum, Casting Secondary	185
Aluminum, Deoxidizing	432
Aluminum, Furnace Gases and	182
Aluminum, Gold on	431
*Aluminum Industry for 1921, The.....	5

Aluminum, Machining	144
Aluminum, Nickel Plating on	351
Aluminum, Shrinkage of	385
*Aluminum-Silicon Alloys, New	183
*Aluminum Statue of Hall.....	462
*American Electro-Platers' Society	255
*American Electro-Platers' Society Conven- tion	222
American Foundrymen's Association	149
Analysis, Aluminum	150
Analysis by Temperature Changes	339
*Art Metal Ware, The Application of Dec- oration to	11
Association, American Foundrymen's	149
Authors, Foundry Book Compilers and.....	388

B

*Bearing Alloy, Genelite: An Improved.....	98
Book Compilers and Authors, Foundry	388
Boron Mixtures	337
Box Wrenches, Finishing	258
Brands and Practices, Trade	316
Brass, Brush	432
Brass for High Pressure, Scrap	55
Brass, Desincification of	467
Brass, Drawing Thin Sheet.....	462
Brass, Forgings	220
Brass Founder's Soliloquy, An Electric.....	96
Brass Foundry Equipment	179
Brass Foundry Specialists	260
Brass Foundry, The Metallurgist and the	186
Brass Industry, Modern Development in the British	21
*Brass Making, A Century of	295
Brass Melting Furnaces, Fuel Data on.....	145
Brass Trade, Signs of the Times in the.....	20

Brass, Use and Abuse of Plumbing	419
Brass Welding, Copper and	108
*Brasses and Bronzes, Locomotive.....	461
Britannia Ware, Replating Old.....	187
British Brass Industry, Modern Develop- ment in the	21
British Institute of Metals	137
*Bronze, Casting	136
Bronze for French Coinage, Casting Alum- inum	381
*Bronze in the Lincoln Memorial	70
*Bronzes, Locomotive Brasses and.....	461
Bronzes, Marine	146
Bronzing Agents, Sulphides as	264
Bronzing Agents, Sulphides as	228
Brown, Umber	350
Brush Brass	432
Buffing Hard Rubber	260
Business Conditions, Present	433
*Business, The Disarmament Conference and the Metal	22

C

Casket Manufacture	260
Casting Aluminum Alloys.....	464
Casting Aluminum Bronze for French Coin- age	381
*Castings for Plumbing Work, Die	466
*Castings in Three Part Molds, Producing Two Part	218
*Casting Bronze	136
Casting, Centrifugal	457
Castings, Plating of Die	354
*Casting Copper Without a Riser.....	182
*Casting Problems	8
Castings, Defective	10

Casting Secondary Aluminum	185
Cathedral Roofing, Lead Too Pure for	12
Cause of Red Stains on Silver-Plated Work, The	390
Centrifugal Casting	457
*Century of Brass Making, A	295
*Cerium on Aluminum and Other Light Metal Alloys, Influence of	142
Changes, Analysis by Temperature	339
Chemical Industries, National Exposition of the	394
Chloride, The Separation of Lead as a	338
*City, Rochester the Foundrymen's Convention	173
*Cobalt Tungsten Alloys	403
Coinage, Casting Aluminum Bronze for French	381
*Company's Rolling Mills, The International Nickel	420
Compilers and Authors, Foundry Book	388
Compressed Air, Constituents of	341
*Conference and the Metal Business, The Disarmament	22
Conditions, Present Business	493
Constituents of Compressed Air	341
*Control of the McCook Field Foundry, Technical	426
*Convention, American Electro-Platers' Society	222
*Convention City, Rochester the Foundrymen's	173
*Convention, The Metal Trades	213
Copper and Brass Welding	108
Copper, Phosphor	6
Copper-88, Tin 10, Zinc 2	56
Copper, Manganese	7
Copper Sheets, Spotted Rolled	178
Copper, The Fabrication and Uses of	304
*Copper Without a Riser, Casting	182
*Core-oven Tests	346
Core-Sand Mixture	219
Costs, Plating	13
Costs, Standard Foundry	377, 459

D

Dangerous Thing, A Little Knowledge is a	417
Dark Green Gold	432
Data on Brass Melting Furnaces, Fuel	145
Data on Electric Furnaces, Operation	340
Day and Seven-Day Week, Twelve Hour	471
